

Waquoit Bay Reserve Foundation
2012
Waquoit Bay Science School

(At the Waquoit Bay National Estuarine Research Reserve – Route 28, East Falmouth)

Offering week-long educational experiences that encourage curiosity in science and the natural world.

Bayside Buddies Entering Grades 2 and 3 (Half day)

July 2 - 6 AM or PM session: 9:00 AM –Noon or 1:00 PM - 4:00 PM Fee:\$120 (4 days)
July 30- Aug. 3 or Aug 13 - 17 AM only \$150 (5 days)

Children get wet, muddy and inspired while exploring the habitats and wildlife around Waquoit Bay through games, crafts and scientific investigations.

Estuary Adventures Entering Grades 4, 5 & 6

2 Sessions Fee: \$250(Full Day)
July 9 -13 or August 6 - 10, 2012 Time: 9:00 AM –3:00PM

Young scientists use a variety of equipment, from crab traps to salinity meters to sample the marshes, creeks and bay, discovering an ocean of adventure along the way.

Eco-Design Workshop

Entering grades 5, 6, 7(Full day) Time: 9:00AM - 3:00PM
1 Session July 23- 27, 2012 Fee: \$250

Students will design and create exciting take-home projects related to renewable energy while exploring the Bay using science, technology, experimentation and outdoor exploration. We'll supply scientific equipment, building materials and guidance to help participants discover more about wind, water and solar resources and how energy use affects our environment. Students supply the creativity, interest and determination to create some amazing projects.

Women in Science: Entering Grades 7, 8 & 9

Girls only session includes boat trip and one night camping on Washburn Island

1 Session July 16 - July 20, 2012
Time 9:00AM - 3:00 PM Mon -Wed, overnight Thurs 1:00 PM– Noon Friday Fee: \$250

Young women receive inspiration and support from WBNERR staff while building confidence through activities relating to scientific research, marine biology, and ecology. An overnight camping trip fosters peer relationships as girls leave cell phones behind and face the challenges of setting up shelter, cooking and exploring the island at night.

TIDAL Quest: Teens Investigating Diversity of Aquatic Life

Grades 9 through 12 July 23 - July 27, 2012 Fee: \$250

Join a small team of students spending a week in the field with Waquoit Bay Reserve scientists conducting environmental monitoring projects **See separate flyer/registration**, also available at www.waquoitbayreserve.org

Space is limited – Only one session per child please.

Full or partial scholarships may be available.

For information call 508-457-0495 ext 155 waquoitsummerschool@gmail.com

** Your registration fee includes a one year membership to the Waquoit Bay Reserve Foundation.
