Discover Waquoit Bay Reserve 2017 Summer Schedule

2017 Summer Programs

JULY 1 - SEPTEMBER 3

SUNDAY

Osprey Watch - 11:00AM

Enjoy close-up viewing of osprey in their nest and find out why these amazing birds have rebounded after years of decline. Discover where these seasonal residents go in the winter and a whole lot more. *Meet at Reserve Visitor Center.*

South Cape Beach Creature Feature - 1:30PM

Each week our interpretive staff will focus on a different animal or group of animals found along our coast. *Meet at South Cape Beach Picnic Area.*

Waquoit Bay Estate Tour - 3:00PM

Enjoy the breeze and water view while discovering the human history and the connections to the bay. Learn about the the Wampanoag Tribe, World War II training site, aquaculture and cutting edge research. *Meet at Reserve Visitor Center.*

MONDAY

Junior Ranger Program - 10:00AM - 11:30AM

Children ages 7-12 become scientists as they explore the outdoors. We will conduct experiments and use scientific equipment to learn about plants and animals along the coast. Come prepared for shoreline investigations, games, crafts and fun.

July 17 - Forest Rangers

July 24 - Feeling Crabby?

July 31 - The Bee's Knees

August 7 - People of the Dawn: Wampanoag Culture

August 14 - Junior Researchers
